Range News

by John Maraldo, Rangemaster

High Security Range Lock

As you know, the NRA Foundation has for years now been contributing to the purchase of ammunition and firearms for our Venture Crew.

But this year the Foundation gave our Club an additional grant for the purchase of a card-based range lock. Watch this column to learn how you may obtain your card,

Speaking of the NRA Foundation, save the date of our next Friends of NRA Event, Saturday March 17th. And be alert for your opportunity to purchase an entry. We will likely begin selling sometime in January and we will certainly sell out within a couple of weeks.

Range Rules Reminder

Some of you are depositing aluminum and steel cases in the brass bucket. Our recyclers only want cases made of brass. Please put your aluminum and steel cases in the trash.

Full Auto Felony Conviction for only \$68

That's how one Amazon customer, Gregg W., explained his 1-star rating of the Airsoft Pistol Accessory Full Auto Switch For Glock. And there are several other customer reviews of the item making the same point.

Allegedly the slide device will fit not just the airsoft Glock but the real Glock too, rendering the Glock full-auto. If so, possession of the device without proper paperwork is a felony, even if the device is not mounted to a pistol.

On the other hand, not all the customer reviews were negative. One Frank Nitti rated the item a full 5 stars, commenting, "Just what I asked for. I will be buying more products from this company."

Range Orientations

If you've paid your dues you are entitled to use the range, PROVIDED you complete a range orientation. Call me, or better yet, email me.

Venture Crew 568 News

by Joe Yetter, Crew Advisor

Venture Crew 568 is PVRG's youth shooting group, part of the Boy Scouts of America. It is open to youth, 14-21. We meet and shoot on the 2nd and 4th Wednesdays at the PVRG range. Contact me (Joe) for more information, or see our website at www.crew568.org.

In September we assisted with a Boy Scout shooting sports weekend at Camp Cutter near Big Basin. We assisted with the .22 range, and the muzzleloader range. There were 80 scouts from San Mateo county who had a great time.

Also in September, we ran the Muzzleloader range for the local Boy Scout council's Mountain Man Rendezvous, which was held at Boulder Creek Scout Reservation. About 125 Boy Scouts shot about 400 rounds.

In October, we will be going to Panoche Hills, BLM land south of Hollister, to shoot, and to provide a shooting opportunity for another group of Boy Scouts from Aromas and Aptos. We plan to shoot rimfire and centerfire rifles, and pistols. Depending upon the fire danger, we may shoot muzzleloading rifles and pistols.

BLM no longer allows shotgun clays at Panoche Hills, Tumeys Hills, and Griswold Hills, as even the biodegradable clays don't break down without sufficient rainfall.

Friends of NRA grant of ammo to Crew 568 in 2016

I'd like to give a HUGE Thank-you, to all who support FNRA, Crew 568, and PVRG. Also, to those who support several other programs, including Boy Scouts, Girl Scouts, 4H, Y Guides, and more. Through your generosity, the youth of our area are able to participate in quality programs.
