Fred has advised that shooters discovering ANY malfunction of this equipment, to phone him at 688-9762.

OCTOBER PRESIDENT'S COLUMN

The Club BBQ was a great success! Due to the hard work of all the volunteers we sold out before the end of the day. The money raised is just in time as our ice machine just died just before the Sept. dinner meeting. The Finance Committee is reviewing how to streamline our budget and keep our club running as efficiently as possible. As you know our club is a bargain for us as far as the benefits we get for our dues, it would cost more to rent a locker at the gym than our dues.

Last dinner meeting we thanked Jim Gandrup with a plaque for his efforts in getting the NRA grants for our club. Scotty Mitchell and Ward Schuyler, former owner operators of Markley's, were honored for the many ways that they have supported our club.

There will be a Halloween dinner dance on Oct. 25th, tickets will be available at the next general meeting and at the door. In November we will have a club turkey shoot. The rules have not been set as of yet but it will be limited to .22 rim fire long guns. Targets will be fun but very difficult to hit. Unfortunately we had to cancel the bugle mouth bass tournament due to the low level of the lake making the use of the launching ramp to difficult, the built up silt is the problem.

There are several work party projects that need attention, if you remember, one of the things we all agreed to when we joined the club was participation in work party's. So when we need help on a club project I hope that you will honor your promise to help out.

We have two new members voted in by the Board; Michael Johnson and Anthony Leon, welcome to the club!

Check out our web site for new features in the future Joe Yetter has been instrumental in building the web site for us. <http://www.pajarovalleyrodandgun.org/>
