Newsletter – November 2013
Volume 2, Issue 011

President's Column

by Bruce Kobara, President

Thanks to all that showed up and helped with the annual club BBQ. We sold about 400 dinners and 80 sandwiches. A full count will be given at the November meeting.

The second nomination for 2014 club officers and board members election will be opened at the November general meeting. The nominations for club officers at the first nomination are President: Bruce Kobara, Vice president: Jim Gandrup, secretary: Mike Ciglar, treasurer: Glen Slay.

The three year term board members held by Rodney Misumi and Mark Lauesen are open for the election. The nominations for the three year board positions are: Rodney Misumi, Mark Lauesen, Abel Campos and Steve Alciati.

The third board member position, one year term (past presidents seat) held by Abel Campos. This position is for the last past president in the event that he/she does not re-elected. If the president is re-elected the seat will go to the board candidate with third highest votes.

Dinner menu for the November meeting is Turkey with all the fixin's.

The club dues will increase to \$126.00 for 2014, this is still cheaper than renting a locker at YMCA.

Those of you that would like to receive the newsletter by email, please, email Mike Cigler. Mike's email address is: m.ciggy@sbcglobal.net. The club will save about \$14.00 per member per year for each newsletter that is emailed vs mailing a hard copy. Also the newsletter is posted on our web site <http://www.pajarovalleyrodandgun.org/> however; you will receive the email newsletter the soonest.

Range News

by John Maraldo, Rangemaster

No Shooters Dues

As stated in every previous edition of the Range Rules, Shooters were required to pay additional dues to purchase range insurance. But our current policy insures the range, the bar and the lake without segregating their respective premium costs. Accordingly the Board of Directors voted at its October meeting to eliminate Shooters dues.

New Range Rules

Because the dues decision came so late in the year I had to generate a quick Range Rules amendment for the Board's approval. I would have preferred to first float a draft to the Shooters for comment. However the urgent modification, Shooters membership criteria, having been made, the Board remains at perfect liberty to make additional amendments later in the year. So I encourage you to contact me if you have any suggestions for improving the Rules. The Rules adopted by the Board will shortly after be posted on our website.

New California Gun Laws

If you want to know what's new you could do worse than to read the Memorandum Of Law prepared by C.D. Michel's firm. The memo is concise but too long to insert here. You can find it online at

Range News

(continued from page 1)

A Pack, Not A Herd

Commenting on the horrific Westgate Mall slaughter, Interpol Secretary General Ronald Noble noted that terrorists have apparently concluded they can murder more innocents with less loss by attacking civilian venues rather than hardened government facilities. Noting that it is impossible to harden all of our malls, terminals, etc., as we do our critical government buildings, he stated that the only practical safety measure is an armed citizenry.

Range Hygiene Memo

If you missed the September 9th Shooters Association meeting you didn't get a copy of the range hygiene memo. There is a copy in the range. If you'd like a copy of your own, just ask.

Kelly Lake from PVRG

Crew 568 News

by Joe Yetter, Crew Advisor

Venture Crew 568 is PVRG's youth shooting group. It is open to youth, 14-21. We meet on the 2nd and 4th Wednesdays at the range. Call me for more information.

Crew 568 recently assisted with a "troop shoot" for an Aptos Boy Scout troop, at Panoche Hills. We shot .22 rifle and shotgun, and for those scouts who were old enough, we assisted them with shooting high-power rifle. The general consensus was that everyone had a great time.

PVRG Website Updated

The PVRG website has just undergone a facelift

<http://www.pajarovalleyrodandgun.org>

It still is mostly text, which makes it load quickly, but has a "cleaner" look. You will find maps to PVRG, information about the club, and club rules. There is an archive of the club newsletters (this newsletter), and an archive of minutes from the general meetings. The club calendar allows you to check if there is an event before driving.

There is also the option of using a simpler location: pvr.us. This can make it quicker to access.
