Our June Speaker

Don't miss our June meeting. Our speaker will be one of our own members, Brannon Schell. Brannon is a paramedic with AMR, a member of a multi-agency working group developing tactical medicine for law enforcement, a medical and firearms trainer in his own right (his school is NorCal MedTac) and a trainer designated by our Sheriff to qualify CCW applicants. Brannon will explain Santa Cruz County CCW qualification and procedure.

NRA Foundation Grant

We have received the NRA Foundation's check to pay for the ventilation upgrade! As soon as that work is done, expect announcements of NRA Shooting courses and other group training events.

And save July 18th for the Santa Cruz Friends of NRA Dinner. These dinners are not just great fun, but their profits keep the 2nd Amendment alive by making its exercise safe and accessible.

Range Closure

So that the new ventilation equipment can be installed, our range will be closed June 2nd through June 8th. The

Range News

Continued from Page 1

odds are good that the range will re-open before the 8th, but check with Jim (724-7311) before coming out to shoot during that week.

Thanks To The Crew!

The next time you visit our range, you'll notice a groomed backstop, new target chains, new paneling and white boards in the ready room and fresh paint in both the range and ready room. You can thank the Adult Leaders and Venturers who showed up for our May 17th work party.

Shotguns In The Range

We would like to continue to permit shotguns in our range, but our backstop is getting littered. Simply use the leaf rake to flick wads and bits of paper out of the backstop.

Semiauto Clinic

Several of you have asked to attend the next Clinic. I gave everyone of you the stiff arm because I didn't yet have a date for that clinic. But Bob has promised to set a date at the June dinner meeting. So at the June dinner meeting, I'll know the date and you'll know whether you can attend on that date. I'll take five names.

News Bits

Kelly Lake Status

The lake is very shallow between the ramp and the main part of the lake. It is still possible to take boats out. Be careful to avoid getting stuck in the mud.

News Bits

May 2014 Work Party

On Saturday, May 17, a dedicated group of PVRG members showed up, and worked to make the club a better place. The hall floor was refinished. Paint was applied to the exterior on the lake side of the club. Lots of tule's were removed from the lake, in the dock and shallow areas. Grass was trimmed in the picnic bench area. The room outside the range had some wall panels installed, and was painted. Trees were trimmed and weeds cleaned up near Jim's house. And lots more.

Bass Tournament

The Bass Tournament is on hiatus, until there is more water in the lake. That is not expected until the rainy season starts again.

Once the tournament restarts, if a member brings a guest to a Bass Tournament, it counts as a "stamped visit" toward the guest's membership application to join the club. The club secretary needs to be notified by the Organizing Bass Tournament Representative in order for guests to receive their visitation stamp.

Signing In

All who are shooting or fishing must leave their membership card on their vehicle's dash. Cub rules, and our insurance, require you to sign in when using the range. Please sign in with the caretaker, Jim, before going to the range. If Jim is not available, please be certain to sign in at the range.

Monthly General Meeting Minutes

The minutes of the monthly general meetings are on the website, at <http://www.pvrg.us/information>. They usually post just before the next general meeting.
