Semiautomatic Clinic!

Robert Leonardich will conduct the clinic on July 9th, 10 AM to noon.

The Clinic is a short but very effective training in the fundamentals of shooting semiautomatic pistols. This basic training is for those of you who, at 25 feet, are shooting groups the size of a dinner plate. In two hours, Bob will help you shrink that group to the size of a cup saucer. And more important, you will learn techniques you can continue to employ in order to continually improve.

Enrollment will be limited to only five students so that each of you will get individual coaching. Contact me immediately if you want this training.

Range Closures

During Bob's Clinic the range will be closed to other uses.

The range will also be closed on Saturday, May 14th. Our Venture Crew will paint the range!

Our New Twenty Dollar Bill

Breaking news from David Burge -

Treasury will throw the founder of the Democratic Party off the \$20 bill and replace him with a gun-toting Republican!

Range Orientations

If you've paid your dues you are entitled to use the range, PROVIDED you complete a range orientation.

Call me at 724-4202 or better yet email me.
