Range News

by John Maraldo, Rangemaster

Thanks

Thanks to everyone who brought us petitions for the "Gunmageddon" referenda and to all of you who signed the petitions. If you don't know how oppressive California's latest gun laws are or you have not yet signed the petitions, stop by Del Valle, Markley's or Santa Cruz Armory or use this petition locator:

Faster Reload

As you know, one of the statutes comprising "Gunmageddon" bans the "Bullet Button" because citizens are safer when the law-abiding reload more slowly. Ironically installation of the device invented in response to that legislation, the "Patriot Mag Release", results in a faster reload.

Range Closure

The range will be closed on Tuesday November 1st for scheduled maintenance of the range fans.

"Off Duty Police Officer"

Perhaps the only description you've read of the man who shot the knife-wielding terrorist at a Saint Cloud Minnesota mall, is that Jason Falconer was an "off duty police officer". And so he was. But he is not on administrative leave as a result of the shooting, because he's so part time he's not scheduled to work again for another two months. What the AP account neglected to mention is that Mr. Falconer is a USPSA competitor, a Three-Gun competitor, a NRA Certified Instructor and the proprietor of Tactical Advantage, a training facility concentrated on training civilians for concealed carry.

Club Shoot

Is there any interest in hosting a shoot? I am thinking of just a friendly, bragging rights competition between members and nonmembers alike. It doesn't have to be a "Turkey Shoot". In fact, it might be better scheduled away from the holidays. The last time we hosted a shoot it was very poorly attended despite our having given ample notice of the event, so I'm not inclined to host another unless I have some assurance of interest. The shoot would take place at 10:00 AM on a Saturday morning. Let me know if you would likely attend such an event.

Range Orientations

If you've paid your dues you are entitled to use the range, PROVIDED you complete a range orientation. Call me at 724-4202 or better yet, email me at johnmmaraldo@gmail.com

Venturing Crew 568 News

by Joe Yetter, Crew Advisor

Venture Crew 568 is PVRG's youth shooting group, part of the Boy Scouts of America. It is open to youth, 14-21. We meet and shoot on the 2nd and 4th Wednesdays at the range. Contact me (Joe) for more information

In September, Crew 568 went on a muzzleloader "trail walk", and took along with Boy Scouts from two local troops. 24 youth shot several hundred rounds against reactive targets, gongs, and other fun targets.

In October, we go to Panoche Hills, BLM land south of Hollister, for us to shoot, and to provide a shooting opportunity for another group of Boy Scouts.
