## Range News

by John Maraldo, Rangemaster

### How To Keep Your AR

Or more precisely, “How to keep your AR and stay out of jail.”

Joe Yetter will treat us to a timely presentation at our November dinner meeting. Joe will explain what features make your rifle an “assault rifle” today and how the criteria will change on January 1st, 2018. Joe will also explain the deadline and consequence of registering your rifle and describe modifications you can make to your rifle and keep it without registration. Joe will even show us three compliant rifles.

### Remington Rifle Recall

Remington has announced a recall affecting

1. Current owners of Remington Model 700, Seven, Sportsman 78, 673, 710, 715, 770, 600, 660, XP-100, 721, 722, and 725 firearms containing a Remington trigger mechanism that utilizes a trigger connector;
2. Current owners of Remington Model 700 and Model Seven rifles containing an X-Mark Pro trigger mechanism manufactured from May 1, 2006 to April 9, 2014 who did not participate in the voluntary X-Mark Pro product recall prior to April 14, 2015; and

3. Current and former owners of Remington Model 700 and Model Seven rifles who replaced their rifle's original Walker trigger mechanism with an X-Mark Pro trigger mechanism.

Go to this website, enter your serial number and see if your rifle is affected by the recall

### Are Gun Sales In Decline?

This September saw the highest number of checks run through the FBI's NICS system of all the Septembers in the past seventeen years. And this September's checks were 7.9% higher than they were in September of last year.

## Venturing Crew 568 News

by Joe Yetter, Crew Advisor

Venture Crew 568 is PVRG's youth shooting group, part of the Boy Scouts of America. It is open to youth, 14-21. We meet and shoot on the 2nd and 4th Wednesdays at the range. Contact me (Joe) for more information

In September, Crew 568 went on a muzzleloader "trail walk", and took along with Boy Scouts from two local troops. 24 youth shot several hundred rounds against reactive targets, gongs, and other fun targets.

In October, Crew 568 went to Panoche Hills, BLM land south of Hollister, to shoot .22 rifles, high power rifles, and muzzleloading rifles. We took along Boy Scouts from two local troops, and shot at reactive targets and generally had a great time.

In December, we plan to go to Field Sports Park in South San Jose.
