Friends of NRA Event Raffle

This year we have a magnificent prize, the Weatherby Vanguard Modular Chassis in .308 Winchester, fitted with a Lucid 6-24X40 scope.

The Vanguard, which has a MSRP of \$1519 comes with a sub-MOA (.99" or less 3-shot group at 100 yards) guarantee and boasts so many accuracy-enhancing features that to list them all would fill this page.

You can read the American Rifleman's review of the rifle here:

Chainsaw Bayonet

USA Today published a video titled, "Texas Church Gunman's AR-15 Style Rifle - What We Know About The Ruger AR-556". A portion of the video depicted four aftermarket options which would be make the rifle even scarier: 100-round drum magazine, underbarrel 12-gauge shotgun, trigger crank and chainsaw bayonet.

Hilarity ensued, but Jeff Dobbs took the cake with his suggestion for those of us in States that prohibit bayonet lugs.

Range Orientations

If you've paid your dues you are entitled to use the range, PROVIDED you complete a range orientation. Call me, or better yet, email me.

Venture Crew 568 News

by Joe Yetter, Crew Advisor

Venture Crew 568 is PVRG's youth shooting group, part of the Boy Scouts of America. It is open to youth, 14-21. We meet and shoot on the 2nd and 4th Wednesdays at the PVRG range. Contact me (Joe) for more information, or see our website at www.crew568.org.

In November, we assisted with a Turkey Shoot, for the San Benito District Boy Scouts. Note, there were only paper target turkeys at this event. In the morning, about 60 cub scouts shot BB guns, and in the afternoon about 20 Boy Scouts and Ventureres shot .22 rifles.

PVRG Club News

PVRG Officer Nominations

Nominations for club officers started at the October general meeting, and continued at the November general meeting. They will conclude at the December general meeting, with elections at that same meeting.

Don't Jeopardize our Liquor License

Some important rules regarding our liquor license and bar.

- NO outside beer
- NO outside hard liquor
- You CAN bring in a bottle of wine, but you MUST have the bar crew uncork it, and pay them the corkage fee.

These are not the club rules; this is the law of the state of California.

If these rules are violated we could lose our liquor license.

Checking if the Range is Open

Sometimes our range hosts special events and sometimes it is closed simply to reduce noise while the hall is in use. You can see all the scheduled closures in our online calendar:

<http://www.pvrg.us/calendar>

But sometimes our range is closed unexpectedly.

So it's a good idea to call Jim before coming out. His number is (831) 724-7311.

Signing In

All who are shooting or fishing must leave their membership card on their vehicle's dash. Club rules, and our insurance, require you to sign in when using the range. Please sign in with the caretaker, Jim, before going to the range. If Jim is not available, please be certain to sign in at the range.

Address changes

It is the member's responsibility to notify the club Secretary of any changes in their home or mailing address, phone number, or email address.
